THE CORPORATION OF
THE TOWNSHIP OF HORNEPAYNE

BY-LAW NO.1897

Being a By-Law to regulate the use of all land, and the density, size, location, and use of all buildings and structures within the Township of Hornepayne municipal boundary.

WHEREAS Section 34 of the *Planning Act* provides authority to Municipal Councils to enact By-Laws regarding the use of lands and the erection and use of buildings or structures within the Municipality; and,

WHEREAS Section 24 of the *Planning Act* provides that no Zoning By-Law may be passed that does not conform to the Official Plan of the Township of Hornepayne; and,

WHEREAS an Official Plan for the Township of Hornepayne was Adopted on December 8th, 2021; and,

WHEREAS Section 26 of the *Planning Act* requires that municipal Zoning By-Laws be prepared to conform to the Official Plan; and,

WHEREAS it is now deemed necessary and expedient to enact a Zoning By-Law for the Township of Hornepayne which will be in conformity with the Official Plan; and,

WHEREAS an Open House in accordance with the *Planning Act* was held on September 15th, 2021, for the purpose of giving the public an opportunity to review and ask questions about the proposed Zoning By-law; and,

WHEREAS a Public Meeting in accordance with the *Planning Act* was held on September 29, 2021;

NOW THEREFORE the Council of the Corporation of the Township of Hornepayne pursuant to Section 34 of the *Planning Act*, enacts as follows:

1. By-Law No. 1897, Township of Hornepayne Zoning By-Law, and its schedules, attached as Schedule "1" and titled Township of Hornepayne Zoning By-Law shall come into force in accordance with the provisions of the *Planning Act*.

Read a first and second time this 8th day of December 2021.

Read a third time and finally passed this 8th day of December 2021.

Clerk

1.0 Authorization and Administration

1.1 Title

This By-law shall be known as the “Zoning By-law” or By-law No. 1897 of the Corporation of the Township of Hornepayne.

1.2 Effective Date

This By-law comes into force and takes effect on December 8, 2021.

1.3 Defined Area

The provisions of this By-law shall apply to all lands within the incorporated limits of the Township of Hornepayne.

1.4 Scope

No land shall be used and no building or structures shall be erected, altered, enlarged, or used within the Township of Hornepayne except in conformity with the provisions of this By-law.

No lands shall be severed from any existing lot if the effect of such action is to cause the original, adjoining, remaining, or new building, structure, or lot to be in contravention of this By-law.

1.5 Existing Uses Continued

Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, so long as it continues to be used for that purpose.

1.6 Prior Building Permit Issued

Nothing in this By-law shall prevent the erection or use of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Building Inspector prior to the date of passing of this By-law, provided:

- 1) When the building or structure is erected, it shall be used and continue to be used for the purpose for which the building permit was issued; and
- 2) The erection of such building or structure is commenced within 2 years of the date of passing of this By-law and provided the erection of such building or structure is completed within a reasonable time after the erection thereof is commenced.

1.7 Compliance with Other Restrictions

This By-law shall not be effective to reduce or mitigate any restrictions lawfully imposed by a governmental authority having jurisdiction to make such restrictions.

1.8 Interpretation

The provisions of this By-law shall be held to be the minimum requirements except where the word maximum is used in which case the maximum requirement shall apply.

In this By-law the word 'shall' is mandatory; words in the singular include the plural; words in the plural include the singular; words in the present tense include the future.

1.9 Measurements

Measurements contained in this By-law are in metric units only. Where imperial units appear, such units do not form part of this By-law; they are to be considered as ancillary information only and are provided only for the convenience of the reader.

1.10 Administrator

This Zoning By-law is administered by the Township Clerk, Chief Administrative Officer, or an appointee. A certified true copy is on file in the office of the Township of Hornepayne.

1.11 Occupancy or Building Permit, Certificate, or Licence

- 1) No change shall be made in the type of use of any land, building, or structure within any zone, without first obtaining a Certificate of Occupancy from the Township to the effect that the proposed use conforms to this By-law.
- 2) No municipal permit, certificate, or licence shall be issued for a proposed use of land or a proposed erection, alteration, enlargement, or use of any building or structure that is in contravention of any provision of this By-law.

1.12 Applications and Plans

In addition to the requirements of any Building By-law, every application for a building permit shall be accompanied by sufficient information, in an appropriate form, to determine whether the building or structure conforms to the requirements of this By-law. This shall include:

- 1) A plan drawn to scale showing the true dimensions of the lot to be built on and used; the location, height, and dimensions of any existing or proposed building, structure, and use; the location of any required setback and the proposed location and dimension of any yard, landscaped open space, and off-street parking and loading required by the By-law; and
- 2) A statement signed by the Owner giving the exact use proposed for each building, structure, or the proposed use of the lot to determine whether such building, structure, or use conforms to this By-law.

Notwithstanding the above, applications that do not affect the external dimensions of the building, number of dwelling units, or useable floor area may not require the information contained in subsections a) and b).

1.13 Request for an Amendment

Where an amendment to this Zoning By-law is requested by an owner of land in the Municipality, the said owner shall complete and submit to the Municipality, prior to his request being considered, an application form for Amendment to the Zoning By-law.

1.14 Inspection of Premises

The Township Clerk, Treasurer, Chief Administrative Officer, or any employee of the Township of Hornepayne acting under direction, may, at any reasonable hour (as set out by Council), enter and inspect a property or premises under a Power of Entry By-law, where there is reason to believe

that any land has been used or any building or structure has been erected, altered, enlarged, or used in violation of any of the provisions of this By-law.

1.15 Violations and Penalties

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine recoverable under the *Provincial Offenses Act*. Each day of violation shall constitute an offence.

In the case of any lot being used, any building or structure being erected, altered, reconstructed, or extended or part therefore being used in contravention of any provision of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Municipal Act* or the *Planning Act* in that behalf.

1.16 Validity

If any portion of this By-law is for any reason declared invalid by a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this By-law.

1.17 Technical Revisions

Revisions may be made to this By-law without the need for a Zoning By-law Amendment in the following cases:

- 1) Correction of grammar, punctuation or typographical errors, or revisions to format in a manner that does not change the intent of the By-law;
- 2) Adding or revising technical information on maps or schedules that does not affect the zoning of lands including, but not limited to, matters such as updating and correcting infrastructure information, keys, legends, or title blocks; and
- 3) Changes to appendices, footnotes, headings, indices, marginal notes, tables of contents, illustrations, historical or reference information, page numbering, footers, and headers, which do not form a part of this By-law, and are editorially inserted for convenience or reference only.

2.0 Definitions

3.0 General Provisions

3.1 Accessory Uses

Where this By-law provides that land may be used or a building or structure may be erected or used for a purpose, that purpose shall include any accessory building or accessory use incidental thereto, in accordance with the following provisions:

- a) An accessory building shall not be erected prior to the erection of a dwelling on the same lot except where it is necessary for the storage of tools and materials for use in connection with the construction of such dwelling and does not exceed 10 sqm (108 sqft) in area and no accessory building shall be used prior to the erection of such dwelling for any purpose other than such storage.
- b) The use of any accessory building or structure for human habitation is not permitted except where a dwelling or guest cabin is a permitted accessory use or as permitted under Section 3.1.1. The use of any accessory building or structure for the keeping of animals, other than domestic pets, is not permitted in any Residential Zone or the Recreational Residential Zone.
- c) No accessory building shall exceed 5.0 m (16.4 ft) in height in a Residential Zone, nor be built within 2.0 m (6.6 ft) of the main building in all zones.
- d) In a Residential Zone or on a lot used for residential purposes, accessory buildings or structures shall not be located closer than 1.2 m (3.9 ft) to any interior side or rear lot line, except where a detached mutual private garage is erected on the common side lot line between two lots, in which case no interior side yard is required.

3.1.1 Secondary and Additional Dwelling Units (basement apartments, in-law suites) and Garden Suites

In Residential Zones, the use of two residential units in a detached house, semi-detached house, or rowhouse; and the use of a residential unit in a building or structure accessory to a detached house, semi-detached house, or rowhouse is permitted. In certain commercial zones, the use of a residential unit accessory to a permitted commercial use is permitted.

Where these uses are permitted, they are subject to the following provisions:

- a) Parking shall be provided in accordance with Section 3.16, and tandem parking in the existing driveway is permitted;
- b) Accessory apartments are permitted in a detached dwelling and/or accessory structure which are serviced by private, individual systems, provided it can be demonstrated that the private sewage disposal system can accommodate the change in use; and
- c) Garden suites must comply with the setbacks for accessory buildings.

Notwithstanding the provisions of this By-law, no dwelling unit shall be located in a non-residential building that is used for commercial garage.

3.1.2 Outdoor Furnaces

An outdoor furnace shall only be permitted on lots having an area of 1.0 ha (2.5 ac) or greater in the RR, RR1, and RU Zones, subject to the following provisions:

- a) The furnace is located at least 15 m (49 ft) from any lot line and from the principle dwelling;
- b) The furnace is located at least 3.0 m (9.8 ft) from any trees or non-habitable structures;
- c) The furnace is located at least 100 m (328 ft) from any existing dwellings on adjacent lots;
- d) The furnace is not located in the front yard;
- e) The top of the furnace chimney shall be a minimum of 3.0 m (9.8 ft) above the adjacent ground and shall be equipped with a spark arrestor and a rain cap.

3.1.3 Portable Garages

Portable garages are permitted in all residential zones, subject to the following provisions:

- a) Such structure may be permitted on a year-round basis, provided it is located a minimum of 3.0 m (9.8 ft) behind the front building setback;
- b) Such structure may be permitted in the front yard on a temporary basis from October 1 to May 15; and
- c) Such structure is maintained in good condition and torn material shall be replaced.

3.1.4 Renewable Energy Accessory Uses

Accessory solar power installations may be installed in any zone, subject to the following provisions:

- a) Freestanding accessory structures shall not be located in the front yard.

Structures which harness wind energy for the primary purpose of on-site consumption may only be erected in Rural Zones, subject to the following provisions:

- b) Such structures are restricted to a maximum height of 17 m (56 ft); and
- c) Such structures are setback from the lot line by the maximum height of the structure (i.e. to the tip of the blade).

3.1.5 Shipping Containers

A maximum of two shipping containers are permitted in the rear yards of the C2, M1, M2, and RM zones, subject to the following conditions:

- a) The shipping container is only used for storage purposes and not used to accommodate work areas, shops, office uses, or retail sales;
- b) There is a 10 m (33 ft) setback from any lot line abutting a residential zone;
- c) The shipping container is maintained to the Township's satisfaction (i.e. painted and not rusted) and is not visible from the road;

- d) The shipping container is anchored to the ground in accordance with the Ontario Building Code; and
- e) An Engineer's report is required in accordance with the Ontario Building Code.

3.1.6 Swimming Pools

In a Residential Zone, a private swimming pool or hot tub and structures in conjunction with such a swimming pool or hot tub may be erected and used in the required interior side yard or rear yard in accordance with the following:

- a) Every outdoor swimming pool that is capable of holding a depth of 0.6 m (2 ft) of water or more at its deepest point (including seasonal pools) shall be enclosed in a secure and safe manner by a combination of fence, building wall, pool wall, gate, door, or other structure. Such fence or other structure shall have a minimum height of 1.2 m (4 ft) and shall not have any gaps larger than 0.1 m (4 in);
- b) No part of such swimming pool or hot tub shall be located closer than 1.5 m (4.9 ft) to any rear or side lot line; and
- c) No water circulating or treatment equipment such as pumps or filters shall be located closer than 1.5 m (4.9 ft) to any interior side or rear lot line, unless it is within a building.

3.2 Automobile Services Stations and Commercial Garages

- 1) Where commercial garages and gas bars are permitted, the following provisions shall apply:

| | |
|--|--|
| Lot Frontage (min) | 60 m (197 ft) |
| Lot Depth (min) <ul style="list-style-type: none">- Corner Lot- Interior Lot | <ul style="list-style-type: none">- 60 m (197 ft)- 45 m (148 ft) |

3.4.1 Building in Built-up Area

Notwithstanding the provisions of this By-law to the contrary, where a detached dwelling or accessory use thereto is to be erected in a built-up area where there is an established building line, such dwelling or accessory use may be erected closer to the street line, than required by this By-law provided such dwelling or accessory use is not erected closer to the street line than the established building line on the date of passing of this By-law and further provided that in no case shall any building be erected closer than 3.0 m (9.8 ft) from the front lot line and need not be set back a distance greater than setback regulations prescribed in the zone in which it is situated.

3.5 Flood Plain Hazard (HAZ) Overlay

Notwithstanding any other provision of this By-law to the contrary, within the areas shown as Flood Plain Hazard (HAZ) Overlay, the following shall apply:

- a) Legally existing buildings and structures shall be permitted;

- b) New additional bedrooms or dwelling units are not permitted below the regulatory flood plain elevation; and
- c) No new buildings or structures shall be erected or used except for flood or erosion control or for providing access and only in accordance with any regulations of, and subject to the approval of the Ontario Ministry of Natural Resources and Forestry and, where applicable, pursuant to the *Lakes and Rivers Improvement Act*, *Fisheries Act*, or *Public Lands Act*.

3.6 Frontage on Public Roads or Private Roads with Agreement

No person shall erect any building or structure in any zone unless the lot upon which such building or structure is to be erected fronts upon a street or road that is open and maintained by a public road authority on a year round basis, except as otherwise permitted by this By-law.

Notwithstanding the foregoing, permitted uses may be erected on a lot which abuts a legal right-of-way and has a legal agreement regarding access and maintenance registered on title.

3.7 Height Exceptions

Notwithstanding the height provisions, nothing in this By-law shall apply to prevent the erection of a church spire, flag pole, belfry, clock tower, chimney, farm building or structure other than a dwelling, silo, water tank, windmill, solar collector, radio, radar, or television tower or antenna, or drive-in theatre screen.

3.8 Home-Based Businesses

- 1) The following uses shall be considered permitted accessory uses to any residential use:
 - Domestic Arts: Instruction in or business involving music, religion, dancing, arts and crafts, sewing, hairdressing, baking, catering, or similar activities.
 - Professional Uses: An office or consulting room for a physician, surgeon, dentist or other medical practitioner, academics, drafting, insurance agent, lawyer, engineer, architect, accountant, salesperson, building contractor, or persons engaged in a similar occupation.
- 2) Permitted accessory home-based businesses are subject to the following provisions:
 - a) There shall be no external display or advertising other than a legal sign, indicating that a part of the dwelling is being used for a purpose other than residential.
 - b) There shall be no goods, wares, or merchandise, other than arts and crafts or foods produced on the premises, offered or exposed for sale or rent. In the case of home baking or catering there shall be no area for consumption on the premises.
 - c) The activity shall not create or become a nuisance, in particular, in regard to noise, odour, vibration, traffic, or parking.
 - d) No mechanical or electrical equipment is used except that which is reasonably consistent with the use of a dwelling.
 - e) Parking requirements shall be calculated as per Section 3.16 of the Zoning By-law.
 - f) Home-based businesses may be subject to Site Plan Control.

- 3) In R1 and R2 Zones the following additional provisions shall apply:
- a) No more than one person, other than someone residing on the premises, shall be engaged in the business.
 - b) No more than 25% or 40 sqm (431 sqft) of the total floor area of the dwelling, whichever is the lesser, shall be used for such purposes.
 - c) The home-based business shall be clearly secondary to the main residential use and shall not change the residential character of the dwelling.
- 4) In the Rural Zones, rural home-based businesses, shall be permitted in accordance with the following provisions:
- a) The following additional uses shall also be considered permitted accessory uses to any single dwelling in a Rural Zone:
 - The retail sale of produce grown on the lot, the retail sale of goods made using produce grown on the lot, and a veterinarian's office.
 - b) The following additional uses shall be considered permitted accessory uses to a dwelling accessory to an agricultural use where the agricultural use is the main use of the lot:
 - The retail sale of agricultural equipment and supplies or a service outlet for agricultural equipment and supplies.
 - c) No more than two persons shall be employed on the premises in the rural home-based business.
 - d) No more than 25% of the floor area of the dwelling unit and no more than 50 sqm (538 sqm) in one accessory building shall be used for the rural home-based business.
 - e) Such rural home-based business shall be clearly secondary to the main rural use and shall not change the rural character of the dwelling or lot.
 - f) There shall be no open storage of materials, supplies, tools, equipment, or goods which are used for, or result from the rural home-based business, unless such open storage is a minimum of 13 m (43 ft) from any lot line and a minimum of 45 m (148 ft) from a residential use on another lot.

3.9 Landscaping

Where a lot is used for a Commercial or Industrial purpose and the interior side or rear lot line abuts a Residential or Open Space Zone, then a strip adjoining such abutting lot line shall be used for no purpose other than a planting strip in accordance with the following provisions:

- 1) The required planting strip shall be a minimum width of 3.0 m (9.8 ft).
- 2) A planting strip shall be used for no other purpose than a continuous fence or hedge row of evergreens or shrubs, not less than 1.5 m (4.9 ft) high immediately adjoining the lot line or portion thereof along which such planting strip is required herein, provided that no fence or hedge row shall be required or permitted to a height in excess of 1.0 m (3.3 ft) closer to a street line than the required yard depth.

- 3) In all cases where ingress and egress driveways or walks extend through a planting strip, it shall be permissible to interrupt the strip within 3.0 m (9.8 ft) of the edge of such driveway or within 1.5 m (4.9 ft) of the edge of such walk.
- 4) A planting strip referred to in this subsection may form part of any landscaped open space required by this By-law.

3.10 Lots in More than One Zone

Where a lot is divided into more than one zone, each such portion of the lot shall be used in accordance with the provisions of this By-law for the zone where such portion of the lot is located. Each such portion of the lot shall be considered as a separate lot for the purpose of determining zone provisions. Notwithstanding the foregoing, for lots which are partially in a holding zone of the “h” type or in the Hazard Zone, the entire lot shall be used to determine zone requirements such as area, frontage, coverage, and setbacks.

3.11 Municipal Services

No person shall hereafter erect and use in whole or in part any building or structure without municipal piped services for any purpose in the R1, R2, C1, C2, M1, M2, and I Zones, except where specifically permitted as an exception to this By-law.

3.12 Non-Complying Buildings, Structures, and Lots

3.12.1 Alterations to Non-Complying Buildings and Structures

Nothing in this By-law shall prevent the enlargement, reconstruction, renovation, or repair of an existing non-complying building or structure provided such enlargement, reconstruction, renovation, or repair shall not further the non-compliance with the By-law or contravene any other zone provisions.

3.12.2 Use of Undersized Lots

Where a lot having less than the minimum lot area or frontage required by this By-law, exists on the date of passing of this By-law or is increased in area or frontage but still does not meet the minimum area or frontage requirements of this By-law, such lot may be used for a purpose permitted in the zone in which it is located provided that all other applicable provisions in this By-law are met.

3.12.3 Expropriation and/or Road Widening

If any legally existing building or structure would become non-complying as a result of a road widening or an expropriation, by having any yard reduced, the said existing building or structure shall be deemed to be complying for the purposes of this By-law.

If any legally existing lot would become non-complying as a result of a road widening or an expropriation, by having its lot area and/or lot frontage reduced, the said existing lot shall be deemed to be complying for the purposes of this By-law.

3.13 Non-Conforming Buildings and Structures

3.13.1 Rebuilding, Repair, and Strengthening Permitted

Nothing in this By-law shall prevent the rebuilding, repair, or strengthening to a safe condition, including the installation of eaves troughs, siding, brick, or insulation, of a non-conforming building or structure that is damaged subsequent to the date of passing of this By-law, provided that the floor area of the original building or structure is not increased, and the use of the building or structure is not altered, unless altered to a permitted use.

3.13.2 Change of Use

The use of any lot, building, or structure which is not permitted in the zone in which it is located shall not be changed except to a use which is listed as a permitted use in such zone or to a use which is authorized by Council pursuant to its powers under the *Planning Act*.

3.14 Noxious Uses

No use shall be permitted which from its nature or the materials used therein, is declared to be a noxious trade, business, or manufacture.

3.15 Occupancy Restrictions

No human habitation nor an occupation or activity conducted for gain or profit unless specifically permitted elsewhere in this By-law shall be permitted in the following buildings, structures, or parts thereof:

- 1) any truck, bus, coach, or streetcar body whether or not the same is mounted on wheels;
- 2) any cellar, as defined in this By-law; and
- 3) any trailer or recreational vehicle.

3.16 Open Storage

Open Storage shall be restricted to the Highway Commercial and Industrial Zones in accordance with the following:

- 1) In the C2 Zone, open storage shall not be permitted within any front, side, or rear yard where the C2 Zone abuts any Residential or Institutional Zone.
- 2) In the M1 and M2 Zones, open storage shall not be permitted within any front yard nor within the minimum side or rear yard where these zones abut any Residential or Institutional Zone.
- 3) A strip of landscaped open space, a minimum of 3.0 m (9.8 ft) wide shall be provided around all sides of an open storage area which abut adjacent properties.
- 4) Where open storage areas abut Residential or Institutional Zones, the required landscaped open space must also include visual screening. Any combination of plant materials, landscaped berms, or fencing may be used, but such materials must provide an effective visual screen between the open storage areas and the abutting properties.
- 5) Any areas used for open storage shall be in addition to any minimum off-street parking or loading areas required by this By-law.

3.17 Parking Requirements

3.17.1 Number of Spaces Required

- 1) The owner of every building or structure erected or used for any of the purposes hereinafter set forth shall provide and maintain for the sole use of the owner, occupant, or other persons entering upon or making use of the said premises from time to time, parking spaces and areas as follows:

| <i>Type of Building</i> | <i>Minimum Parking Required</i> |
|--|---|
| Apartment dwelling, townhouse, retirement home | 1.5 parking spaces per dwelling unit of which 10% shall be designated for guest parking areas |
| Boarding house | 1 parking space per unit or guest room |
| Residential dwelling unit in a non-residential building | 1 parking space per dwelling unit |
| Secondary unit, additional residential unit, and garden suite | 1 parking space per dwelling unit |
| All other residential dwelling units | 2 parking spaces per dwelling unit |
| Building supply outlet or similar use | 1 parking space per 45 sqm (484 sqft) floor area |
| Clinic | 5 parking spaces for each doctor or practitioner. |
| Child care centre | 2 parking spaces when accessory to a residential use, otherwise, 1 per 40 sqm (431 sqft) net floor area |
| Church, funeral home, auditorium, restaurant, arena, or other places of assembly | Where there are fixed seats, 1 parking space for every 5 seats or 3.0 m (9.8 ft) of bench space, where there are no fixed seats, 1 parking space for each 9 sqm (97 sqft) of floor area devoted to public use |
| Convenience store | 1 parking space per 20 sqm (215 sqft) floor area |
| Heavy equipment sales outlet | 1 parking space per 45 sqm (484 sqft) floor area |
| Hospital or institution | 1 parking space for each 2 beds or 40 sqm (431 sqft) of floor area whichever is greater, plus 1 additional space for each resident doctor or resident employee |
| Hotel, motel, tourist cabin, bed and breakfast establishment, and campground | 1 parking space per unit or guest room or campsite, and 1 additional parking space for each 9 sqm (97 sqft) of floor area devoted to public use |
| Industrial use | 1 parking space for every 90 sqm (969 sqft) of total floor area plus 1 parking space per 30 sqm (323 sqft) accessory office |
| Office, financial institution, including a home-based business office | 1 parking space per 30 sqm (323 sqft) of office floor area |
| Other commercial uses | 1 parking space for each 30 sqm (323 sqft) of total floor area, exclusive of accessory office space |

The Township of Hornepayne
Zoning By-law

| <i>Type of Building</i> | <i>Minimum Parking Required</i> |
|--|--|
| Personal service shop | 1 parking space per 20 sqm (215 sqft) floor area |
| Recreational facility, unless otherwise listed | 1 parking space for each 2 persons in the designed capacity of the establishment |
| Retail store | 1 parking space per 20 sqm (215 sqft) floor area |
| Schools | 1.5 parking spaces for each teaching area, plus 1 separate bus loading area per 2 teaching areas |
| Warehouse | 1 parking space per 90 sqm (969 sqft) floor area plus 1 parking space per 30 sqm (323 sqft) accessory office |

- 2) When a building or structure accommodates more than one type of use, as defined in this By-law, the parking space requirement for the whole building shall be the sum of the requirements for the separate parts of the building occupied by the separate types of use.

3.17.2 Parking Area Requirements

- 1) The parking area shall be located on the same lot as the use it is intended to serve except in the case of the General Commercial (C1) Zone, where the parking area may be allocated in an off-street parking lot.
- 2) No parking shall be permitted within 8.0 m (26 ft) of the highwater mark or within any 3.0 m (9.8 ft) of lot line abutting a lot in a Residential Zone.
- 3) Each parking space shall be at least 3.0 m (9.8 ft) by 6.0 m (20 ft) and shall be provided with unobstructed access to a street by a driveway, aisle, lane, or private road;
- 4) Accessible parking spaces shall meet the Ontario Integrated Accessibility Standards Regulation 191/11 or its successors. Refer to Appendix A for more information on requirements at the time of the writing of this By-law.
- 5) Notwithstanding the yard and setback provisions of this Bylaw to the contrary, uncovered surface parking areas, in other than Residential Zones, shall be permitted in any required yard or in the area between the road or street line and the required setback provided no part of the parking area, other than a driveway, is located closer than 1.0 m (3.3 ft) to any road or street line. In Residential Zones no parking shall be permitted in the required front yard of any lot except on a driveway of 6.0 m (20 ft) maximum width.
- 6) Where a parking area is situated in a Residential Zone and is designed to accommodate more than six (6) automobiles, a strip of land not less than 3.0 m (9.8 ft) wide, around the periphery of the parking area, shall not be used for any purpose other than landscaping but this shall not prevent the provision of entrances or exits to said parking area across the strip.

3.17.3 Parking Area Surface

In a Commercial or Industrial Zone, a parking area and driveway connecting the parking area with a street shall be maintained with a stable surface that is treated so as to prevent the raising of dust or loose particles. The parking area and driveway shall be constructed of crushed stone, slag,

gravel, crushed brick, cinders, asphalt, concrete, Portland cement binder, or like material and made with provisions for drainage facilities.

3.17.4 Ingress and Egress

- 1) Ingress and egress, to and from the required parking spaces and areas shall be provided by means of unobstructed driveway aisles at least 4.0 m (13 ft) but not more than 9.0 m (30 ft) in width.
- 2) The maximum width of any joint ingress and egress driveway measured along the street line shall be 9.0 m (30 ft).
- 3) The minimum distance between a driveway and an intersection of street line shall be 7.5 m (25 ft).
- 4) The minimum angle of intersection between a driveway and a street line shall be sixty (60) degrees.
- 5) Every lot shall be limited to the following number of driveways: a) up to the first 30 m (98 ft) of frontage not more than two (2) driveways; and b) for each additional 30 m (98 ft) of frontage not more than one (1) additional driveway.

3.17.5 Illumination

Where parking areas are illuminated, lighting fixtures shall be so arranged that no part of any fixture shall be more than 9.0 m (30 ft) above the finished grade of the parking area. Fixtures shall be so designed and installed that the light is directed downward and deflected away from adjacent lots, roads and streets.

3.17.6 Addition to Building or Structure

When a building or structure has insufficient parking area at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and no change of use may occur, the effect of which would be an increase in that deficiency.

3.17.7 Use of Parking Spaces and Areas

Any area where off-street parking is permitted under this By-law shall be used for no other parking purpose than for the parking of operative passenger vehicles and commercial vehicles used in operations incidental to the permitted uses on the lot, all bearing currently valid licence plates.

3.18 Public Uses Permitted

The provisions of this By-law shall not apply to the use of any land or to the erection or use of any building or structure for the purpose of public service by the Township of Hornepayne and/or any Public Authority, or Ministry of the Government of Ontario or Canada, including Hydro One Networks Inc., or any telephone, broadband, cellular or gas company, provided that where such land, building, or structure is located in any zone:

- 1) no goods, material or equipment shall be stored in the open, except as permitted in such zone;
- 2) the lot coverage and yard requirements described for such zones shall be complied with; and

- 3) parking and loading requirements as contained in this By-law shall be complied with.

Nothing in this By-law shall prevent the installation of a watermain, sanitary sewer main, storm sewer main, gas main, pipeline, or overhead or underground hydro and telephone line provided that the location of such main or line has been approved by the Township.

3.19 Recreational Vehicles

3.19.1 Habitation Prohibited without Primary Use

Use of a recreational vehicle for habitation for any time period is prohibited on any lot in any zone without a primary use.

3.19.2 Temporary use Permitted with Primary use

Use of a recreational vehicle for temporary habitation is permitted on a lot with a primary residential use for a period of up to 14 days.

3.19.3 Storage regulations

Storage of a recreational vehicle may only occur on a residential lot, or accessory to a permitted residential use in accordance with the following provisions.

- a) Storage of a recreational vehicle is not permitted on a lot without a primary use.
- b) Such vehicle shall be permitted in a garage, carport, or other building;
- c) Such vehicle shall not be located in the front or exterior side yard or any required parking space or sight triangle;
- d) Such vehicle shall comply with the setback for accessory structures (1.2 m) (3.9 ft) from an interior side or rear lot line.

3.20 Sight Triangles

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- 1) a building, structure, or use which would obstruct the vision of drivers of motor vehicles;
- 2) a fence or tree, hedge, bush, or other vegetation, the top of which exceeds 1.0 m (3.3 ft) in height above the elevation of the centrelines of abutting streets;
- 3) a parking area; and
- 4) a finished grade which exceeds the elevation of the centrelines of abutting streets by more than 0.5 m (1.6 ft).

3.21 Signs

The provisions of this By-law shall not apply to prevent the erection, alteration, or use of any legal sign provided that such sign complies with the provisions of this By-law regarding sight triangles.

3.22 Temporary Uses

- 1) Any temporary construction facility such as a shed, scaffold, sales office, temporary accommodation facility such as a recreational vehicle, and equipment incidental to building on the premises for a maximum period of two years shall be permitted in any zone. Temporary

accommodation will only be permitted in the case when an existing dwelling is damaged to the extent that it becomes inhabitable and for the time period while reconstruction of the dwelling is in progress.

- 2) Other temporary uses may be authorized from time to time by Zoning By-law amendment pursuant to Section 39 of the *Planning Act*.

3.23 Wayside Pits and Quarries

Wayside pits and quarries and portable asphalt plants are generally permitted throughout the Township without the need to amend the Zoning By-law, provided no severe environmental disruption will occur and the site is not within a Residential Zone, wetland, or watercourse. The Township shall require a rehabilitation plan as a condition of approval.

4.0 Zones

For the purpose of this By-law all land within the boundaries of the Township of Hornepayne is hereby divided and established into Zones which are shown on the attached Schedules by the accompanying symbols:

- R1 Low Density Residential
- R2 Medium Density Residential
- C1 General Commercial
- C2 Highway Commercial
- M1 Light Industrial
- M2 Heavy Industrial
- MD Disposal Industrial
- MX Extractive Industrial
- MR Rural Industrial
- I Institutional
- OS Open Space
- RR Rural Residential
- RR1 Recreational Residential
- RU Rural
- HAZ Hazard Lands (overlay)

In addition, the following suffixes may be used in conjunction with any of the foregoing zones, in which case, the relevant provisions of Section 4.4 or 4.5 will apply respectively:

- -(numeral): special exception zone
- -h : holding zone
- -T: temporary use

4.1 Schedules

The aforementioned zones together with the zone boundaries are shown on the attached Schedule “A” and Schedule “B” which forms part of this By-law.

4.2 Boundaries of Zones

Where the boundary of any zone, as shown on the attached Schedules are uncertain, the following provisions shall apply:

- 1) where the boundary is indicated as following a street, lane, railway right-of-way, or other right-of-way, then the boundary shall be the centre line of such street, lane, railway, right-of-way, or other right-of-way;

- 2) where the boundary is shown as approximately following a lot line or an extension of a lot line on a registered plan of subdivision or registered survey plan, the lot line or extension thereof shall be the boundary;
- 3) where the boundary is shown as approximately following a watercourse, then the highwater mark shall be the boundary where no flood plain mapping exists. In the case where 1:100 year floodline is available, the boundary shall be the 1:100 year floodline; and
- 4) where uncertainty exists as to the boundary of any zone, then the location of such boundary shall be determined from the original Schedules which are available at the Clerk's office.

4.3 Streets and Rights-of-Way

A street, lane, railway right-of-way, or other right-of-way shown on the attached Schedules shall be included, unless otherwise indicated, with the zone of adjoining property on either side thereof.

4.4 Special Exception Zones

Where a zone symbol is followed by a dash and a number (for example "M1-1"), the lands so designated shall be subject to all of the provisions of the zone represented by such symbol, except as otherwise provided by the special exception provisions of the zone. These special provisions are listed separately under the appropriate zone (e.g. M1) in the text of this By-law.

4.5 Holding Zones

Any parcel or area of land may be further classified as a holding zone with the addition of the suffix "-h". The intent is to signify Council's approval in principle to future development of the land for the purposes indicated by the symbol. The holding classification added to a given zone shall restrict development of the land until the requirements of the Official Plan related to holding zones have been met.

- 1) Where a holding zone applies, no lands shall be used and no buildings or structures shall be erected or used for any purpose other than those uses existing for such land, building, or structure on the date of passing of this By-law.
- 2) Any change from the holding status shall require an amendment to this By-law, and the Township may require that the applicant enter into an agreement for the development of his/her lands prior to the amendment being approved.

4.6 Building, Structure, and Use Classification

The buildings, structures, and uses specifically named as permitted uses in a particular zone are the only uses permitted in the particular zone in which they are named and classified.

4.7 Temporary Use By-laws

Temporary use By-laws may have been passed by the Township to allow temporary uses pursuant to Section 39 of the *Planning Act*. Temporary uses are shown on the schedules as special

exceptions and details concerning the temporary use are included in the special exception text within the specific zone category.
